FEATURED SPIRIT: TEQUILA

A Celebration of Agave at Kimpton Restaurants & Bars!

“Summer is upon us and there is no better way to celebrate it than with some Tequila and Mezcal. We are not talking about the Cheap and Nasty stuff that remind us of our college days but rather only quality 100% Agave based Tequila and Mezcal. These spirits give you a sense of Terroir for where they are made as the Agave can take anywhere from 6 to 12 years to grow and do so under different soil types and climates. Try any of our featured Tequilas or Mezcal in the following fresh cocktails or explore them served neat. Some showcase age spent in Barrels. Enjoying a Blanco Tequila showcases all that beautiful Agave. Remember quality Tequilas or Mezcal do NOT have a worm no salt or lime is needed when sipping on these spirits.”

Sazerac Classic Tequila Cocktails:

THE TOMMY’S MARGARITA

The Tommy’s Style is a new Classic in the cocktail world. It showcases the Tequila with only fresh lime juice and agave nectar. You can still ask for your classic Margarita with Cointreau and fresh lime but this is a very tasty variation. Popularized and taken to bars around the world by Julio Bermejo from the famous Tommy’s Mexican restaurant in San Francisco established in 1965

PALOMA

Enjoyed throughout Mexico more so than the Margarita. The perfect, classic cocktail for warm summer days. Tequila of your choice served tall with Grapefruit Soda, squeeze of fresh lime juice and a pinch of salt

EL DIABLO WITH FEVER TREE GINGER

The heat quenching spice from the Fever Tree Ginger Beer really makes for a delicious mix with Tequila or Mezcal. The fresh lime juice and a hint of Creme de Cassis make for a lovely summer cocktail
