

REDUCE...REUSE...RECYCLE

ECO-FRIENDLY KIMPTON MEETING STANDARDS

By hosting your event with us, you are contributing to reducing our impact on the planet. Below are examples of our eco-friendly practices.

ENERGY/EMISSIONS REDUCTIONS

- All bottled water sourced in the United States
- Energy efficient lighting

WASTE REDUCTION

- Washable cups or mugs for coffee station—no Styrofoam or disposable cups
- Washable teaspoons for coffee stations—no plastic or wood stir sticks
- Bulk condiments such as ketchup, mustard, cream cheese, butter and preserves—not individually packaged
- Pitchers of water in meeting rooms with washable glassware —not disposable
- Paper recycling containers in all meeting rooms

RECYCLED PRODUCTS

- Lunches provided in recyclable paper bags with recycled plastic ware
- Recycled paper or washable cloth cocktail napkins

ORGANICS

- 4 organic tea options offered on all coffee stations
